Votes are in for the Best Showcased Product

Sarasota (February 27, 2012) – The Orlando Pool & Spa Show is proud to announce the Best Product at the 2012 show is Infusion Pool Products' V-Fittings™.

Infusion Pool Products displayed their V-Fittings™ in the Product Showcase and they were a hit! V-Fittings' venturi technology deep heats while drastically enhancing circulation, improving chemical disbursement and reducing energy consumption. Deep heating highly compliments the effectiveness of solar pool covers and solar systems. Infusion Pool Products can be found at www.InfusionPool.com.

The 2012 Orlando Pool & Spa Show, held February 24-25, featured a Product Showcase which allowed attendees to easily browse VGB Products, Energy Efficient Products, New Products, and Great Products at the show. Everyone was invited to vote for the Best Showcased Product. More than 20 products were displayed and the voters thought the V-Fittings™ were the greatest.

The Orlando Pool & Spa Show is produced by the Florida Swimming Pool Association. The FSPA is a trade association for the pool and spa industry in Florida. There are approximately 550 member businesses in 16 Chapters across the state. Members are required to abide by a code of ethics and to be properly licensed and insured. FSPA provides the industry with access to continuing education courses, information on current trends and issues, an arbitration program and government relations representation. FSPA is governed by a Board of Directors.
